THE DUST NUISANCE

Checked, smothered, and utterly overpowered with the noise of the subject before us, our ideas have become congested, leaving us hardly sufficient energies to protest against a barbarous municipality which takes our money with unfeeling regularity...

When, however, we hear of men who easily the nuisance might be remedied, our sufferings are increased tenfold, and our hearts are torn and deep are invoked on our efforts...

In the decayed metropolis of Ireland the water used for irrigating the streets is brought a distance of thirty miles, while in this grand, progressive and go-ahead city of Buenos Ayres...

The damage occasioned by the dust is something stupendous. We may safely calculate that 100 persons are annually injured by the dust...

In the camp the dust nuisance is even more terrible than in town, but unfortunately without hope of remedy by human means...

In the fine camps of Buenos Ayres, formerly in M. Sastre's hands...

**SAVINGS BANK.**  
**BANK MAU & CO.**  
— No. 103 calle do Cangallo. —

**RUENOS-AYRES.**  
The immense advantages of Accounts Current are now so generally felt, and appreciated in the two great emporiums of the River Plate—Montevideo & Buenos Ayres—that there are very few Merchants who fail to keep one at the Bank in which they place their most confidential funds. The Bank of Mau & Co. in Montevideo has already provided for the working class in that city, a safe & profitable depository for their savings. The sums deposited in that most important institution are daily increasing and already reach a very large amount. These advantages have not hitherto been enjoyed in this city by an immense number of Clerks, artisans, working-men & servants of all classes & conditions, who are equally interested in putting their savings out at interest, thus providing themselves with a reserve fund in case of need, sickness or old age, instead of spending them in the immoral gambling, in lotteries and other frivolous ways. The Bank of Mau & Co. of this city following the example of their Buenos Ayres September 19th 1863. p. p. Mau & Co. **WILLIAM LESLIE.**

**CONDITIONS.**  
1st. The Bank receives at interest any sum from Twenty five dollars currency or one silver dollar upwards.  
2nd. The interest allowed is six per cent [6%] per annum which is liquidated every six months.  
3rd. The depositor can at any time retire the whole or part of the money deposited.  
4th. Once the amount deposited exceeds Twenty five thousand dollars currency or one thousand dollars silver the depositor if he wishes can open an account current according to the usual conditions of the Bank.  
5th. In case the depositor loses his Pass Book it can be replaced by another on paying twice dollar currency, and advancing the loss in the public newspapers.
