Offices—87 calle SAN MARTIN.

The want has long been felt of an establishment wherein the frugal and laborious citizen might deposit his savings, so as to incur no risk, and reap at the same time a good return.

This institution is calculated to answer such a purpose extending the benefits of the establishment to even the humblest classes.

Public attention is, therefore, especially called to the manner of subscriptions, and the investment of funds, according to the rules of the association.

The PREVISORA ARGENTINA will receive subscriptions as follows:  
1st. On one's own life, in shares of \$5 silver each. These subscriptions liquidated at any time, at a subscriber's time and option.

All these subscriptions may be paid weekly, monthly, quarterly, half yearly, or yearly.

The capital of this Company shall be invested only in landed property (finca), and with the greatest security.

The Board of Inspection, composed of subscribers, shall have charge of all the operations of the Company.

**SAVINGS BANK,**  
**BANK MAU & CO.**  
No. 103 calle de Cangallo. —  
**BUENOS-AYRES.**

The immense advantages of Accounts Current are now so generally felt, and appreciated in the two great emporiums of the River Plate—Montevideo & Buenos Ayres—that there are very few Merchants who fail to keep one at the Bank in which they place their most confidence.

The Bank of Mau & Co. in Montevideo has already provided for the working class in that city, a safe & profitable depository for their savings.

The sums deposited in that most important institution are daily increasing and already reach a very large amount.

These advantages have not hitherto been enjoyed in this city by an immense number of Clerks, artisans, working-men & servants of all classes & conditions, who are equally interested in putting their savings out at interest, thus providing themselves with a reserve fund in case of need, sickness or old age, instead of spending them in the immoral gambling, in lotteries and other frivolities.

The Bank of Mau & Co. of this city following the example of their Buenos Ayres September 19th 1893.
