PRINCE, JANUARY 29, 1861.

EDITOR'S TABLE... The afflicted, discolorated mother of poor... onnell, who was butchered by the police in the Villa Mercedes...

What though he be an alcalde or a policeman... who is charged with the crime of butchering poor Connell... who though he be a Coidadino politician...

The news from Montevideo is of the most startling character... President Berro has arrested the rebellious senators...

We regret sincerely to be obliged to make room for the complaint, which will be found in another column, against Captain Curlewis...

part of the country news is that Sir Pitan, who has been residing his life at the most unquiet of localities...

Our talented friend, Mr. Murray, who submitted a chapter in the last number of the 'River Plate Magazine'...

Another Duty-hug at Y. MERCEDOS... We have just learned the particulars of a shocking outrage committed on the persons of two illustrious...

John and Patrick S... were parting two flocks of sheep which had been mixed at one of their pastures...

The author of this shocking outrage is liberty and walks about as unconcerned as if he had only killed two sheep...

HOW OLD ARE WE? We quote the following from the January number of the 'River Plate Magazine'...

The greater portion of men believe that the world was created some six thousand years ago...

In the years 1851-54 perforations were made in the alluvial formation of Egypt to find out the age of a certain tract of the sediment of the Nile...

then again into a shapeless chaos of ethereal vapours and the darkness of darkness...

Please notice that in the first verse the word 'recreated' is used. In Exodus 10 c. 11, as well as in the first chapter of Gen. you will find the word 'made'...

Geology proves the world to be very old, but coincides with the Mosiac account of the creation...

It is well known that in the early history of Europe there was a race of people somewhat different from the existing race...

President Berro's term of office concluding on the 28th prox., he does not deem it expedient to give up power...

But we leave the unknown skeptic to brose in the mud of the Nile for Ptolemy's brackish...

Some time ago, by a misunderstanding of passages of the Bible, such as I Cor. 15, 21, and Rom. 8, 12, Christians supposed that Adam's sin brought death into the world...

The excursion of Colonel Ollid attracts general notice. Some pretend that he has passed over to Flores, but it is well understood that he is about to open a campaign on his own account...

There are great complaints of the outrage committed both by the filibusters and Government troops, killing cattle wantonly for the sake of the tongue...

Montevideo, Jan. 27, 1861. President Berro's term of office concluding on the 28th prox., he does not deem it expedient to give up power...

Curlewis being removed from the staff, some of his friends interested themselves in getting a petition to the company to continue him...

A native farmer who only two short months since considered himself worth over two hundred thousand dollars...

By giving the name of this unfortunate man, I give the statement as heard by a near, a very near, relation of his, who from motives which I have no right to question would wish the affair buried in oblivion...

The following gentlemen are those who have been placed in the lists of the two clubs: Don Manuel Ocaupo, Col. Emilio Costa, Doctor José M. Gutiérrez...

After comparing impartially the lists, we really cannot say which is the better of the two, sincerely trusting that for the very small difference that may exist...

According to the meteorological register kept at the office of the Ordnance Survey, Phoenix Park, the rainfall during the month of October last was 5,748 inches...

British Hospital. To the Editors of the 'Standard.' Gentlemen, My attention has been called to the following extract from the Report of the British Hospital...

Without pausing to inquire into the exact meaning of this somewhat confused statement, I beg to reply that of men brought from England by the contractors...

The following gentlemen are those who have been placed in the lists of the two clubs: Don Manuel Ocaupo, Col. Emilio Costa, Doctor José M. Gutiérrez...

SAVINGS BANK.
BANK MAU&C.
No. 103 calle de Cangallo.

BUENOS-AYRES.

The immense advantages of **Accounts Current** are now so generally felt, and appreciated in the great number of the River Plate - Montevideo & Buenos Ayres - that there are very few Merchants who fail to keep one at the Bank in which they place their most confidence.

The Bank of Mau & Co. in Montevideo has already provided for the working class in that city, a safe & profitable depositary for their savings.

The sums deposited in that most important institution are daily increasing and already reach a very large amount.

These advantages have not hitherto been enjoyed in this city by an immense number of Clerks, artisans, working-men & servants of all classes & conditions who are equally interested in putting their savings out at interest, thus providing themselves with a **reserve fund** in case of **needy sickness or old age**, instead of spending them in the immoral gambling, in lotteries and other frivolities.

The Bank of Mau & Co. of this city following the example of their Buenos Ayres September 19th 1893.

WILLIAM LESLIE.

CONDITIONS.
