Public attention is, therefore, specially called to the manner of subscriptions, and the investment of funds, according to the rules of the association.

SAVINGS BANK.

BANK MAJAS & C.
 No. 103 calle de Cangallo. —

BUENOS-AYRES.

The immense advantages of Accounts Current are now so generally felt, and appreciated in the two great emporiums of the River Plate—Montevideo & Buenos Ayres—that there are very few Merchants who fail to keep one in the bank in which they place their most confidence.

The Bank of Mauá & Co. in Montevideo has already provided for the working class in that city a safe & profitable depository for their savings.

The sums deposited in that most important institution are daily increasing and already reach a very large amount.

These advantages have not hitherto been enjoyed in this city by an immense number of Clerks, artisans, working-men & servants of all classes & conditions, who are equally interested in putting their savings out at interest, thus providing themselves with a reserve fund in case of need, sickness or old age, instead of spending them in the immoral gambling, in lotteries and other frivolities.

The Bank of Mauá and Co. of this city following the example of their Buenos Ayres September 19th 1863.
