IMPORTANT FROM EUROPE.

ARRIVAL OF THE MOHICAN. The American war steamer Mohican arrived in this port on Tuesday evening from Rio Janeiro.

WAR BETWEEN FRANCE AND RUSSIA is hourly expected, and a general conflagration throughout Europe.

THE FEDERAL AND CONFEDERATE ARMIES have been drawn into winter quarters on the Potomac, and it is supposed the war cannot last over six months.

EVERYTHING indicates that the war is virtually over, and we shall probably soon hear of a pacific arrangement.

GENERAL REMARKS ON PARAGUAY. Assuacion, January 1861.

As this republic seems destined to rank third as a cotton-growing country, it is important that my readers in Manchester and elsewhere should have some accurate information than is contained in geographical and gazetteers however recent.

THE CARNIVAL. Oh, for a muse to sing the feats of prowess, the knights and heroines, the ventures and disasters of the late campaign.

EDITOR'S TABLE. Carnival is over: it was very tame this year.

the Matines; and with the Indians on the W. far the unconquered wilds of the Gran Chaco.

There are four large towns in the interior: Villa Rica, however, almost rivals Assuacion in the number of inhabitants.

THE CLIMATE is warm and dry, the soil fertile and yielding in abundance all the fruits of the tropics.

FROM our abundance everywhere, and there is a large smelting establishment at Iticaya, founded by Government in 1854.

Among the wild animals are the ape, monkey, wild boar, jaguar, puma, tiger, and fox.

Oh, for a muse to sing the feats of prowess, the knights and heroines, the ventures and disasters of the late campaign.

**SAVINGS BANK**  
**BANK MAU & C.**

No. 103 calle de Cangallo. — BUENOS-AYRES.

The immense advantages of Accounts current are so generally felt, and appreciated in the two great emporiums of the River Plate—Montevideo & Buenos Ayres—that there are very few Merchants who fail to keep one at the Bank in which they place the most confidence.

The Bank of Mau & Co. in Montevideo has already provided for the working class in that city, a safe & profitable depository for their savings.

The sums deposited in that most important institution are daily increasing and already reach a very large amount.

These advantages have not hitherto been enjoyed in this city by an immense number of Clerks, artisans, working-men & servants of all classes & conditions, who are equally interested in putting their savings out at interest, thus providing themselves with a reserve fund in case of need, sickness or old age, instead of spending them in the immoral gambling, in lotteries and other frivolities.

The Bank of Mau & Co. of this city following the example of their Buenos Ayres September 19th 1863.

**WILLIAM LESLIE.**  
**CONDITIONS.**
