SAVINGS BANK BANK MAHA & CO.

No. 103 calle de Cangalla. BUENOS-AYRES. The immense advantages of Accounts current are now so generally felt, and appreciated in the great emporiums of the Rio de Plata—Montevideo & Buenos Ayres—that there are very few Merchants who fail to keep one at the Bank in which they place their most confidence. The Bank of Maha & Co. in Montevideo has already provided for the working class in that city, a safe & profitable depository for their savings. The sums deposited in that most important institution are daily increasing and already reach a very large amount. These advantages have, hitherto been enjoyed in this city by an immense number of Clerks, artisans, workmen, and servants of all classes & conditions, who are equally interested in putting their savings out at interest, thus providing themselves with a reserve fund in case of need, and avoiding the loss of their savings in the immoral gambling, in lotteries and other frivolities. The Bank of Maha & Co. of this city following the example of their

firm in Montevideo now offer the same facilities in this city and will open on the 1st October a "Savings Bank" at No. 103 calle Cangalla from 9 a.m. to 3 p.m. on week days, and on Sundays and holidays from 10 a.m. to 12 m. for the reception of the savings of the classes already mentioned. The Bank will deliver to each depositor a Pass Book in which will be entered the amount deposited and withdrawn. The depositor is permitted at any time to withdraw the whole or part of the sum deposited, in the former case the interest will be calculated up to date. The Bank of Maha & Co. is sufficiently known to the public by its benefits derived from the course of its operations which are regulated on the strictest and soundest principles and always directed to promote the general welfare. The Bank of Maha & Co. are also persuaded that this new branch of their business will render immense service to the working classes of Buenos Ayres and its immediate neighbourhood.
