SAVINGS BANK BANK MARIQUÉS & C

The immense advantages of Accounts Current are now so generally felt, and appreciated in the two great emporiums of the River Plata—Montevideo & Buenos Ayres—that there are very few Merchants who fail to keep one at the Bank in which they place their most confidence. The Bank of Mauá & Co. in Montevideo has already provided for the working class in that city a safe & profitable depositary for their savings. The sums deposited in that most important institution are daily increasing and already reach a very large amount. These advantages have not hitherto been enjoyed in this city by an immense number of Clerks, artisans, working-men & servants of all classes & conditions, who are equally interested in putting their savings out at interest, thus providing themselves with a reserve fund in case of need, sickness or old age. The Bank of Mauá & Co. are also pleased that this new branch of their business will render immense service to the working classes of Buenos Ayres and its neighbourhood.
