ENGLISH GRAMMAR SCHOOL,
OALLE LARGA DE BARRACOS,
Dr. Mr. PONGERRARD, of the Lou-
dun University Colleges.
This Establishment, which from its foundation has been patronized by the principal British families of Buenos Ayres, is now a separate institution of an English School, where a sound commercial education is combined with the acquisition of the French and Spanish languages, is imparted to the pupils, and based upon the same system as in all first class European institutions of the kind.
An ever-watchful and constant supervision, and a strict maintenance of order and propriety, are a sufficient guarantee that the moral and intellectual of the pupils are carefully attended to.
The different branches taught in the English Grammar School comprises the English, French and Spanish languages, History, Geography, Arithmetic, and Book-keeping in all its parts, Writing, and Book-keeping Instruction.
Extra branches, such as Latin, Mathematics, Geometry, Algebra and Drawing, are also taught by special masters.
The situation of the English Grammar School, in one of the most delightful quarters of the Calle Larga of Barracos, at so very quiet of the city, is one of the most beautiful and picturesque of the environs of Buenos Ayres.
For particulars apply for prospectuses at the Standard Office, Calle Belgrano 74.
