The immense advantages of Accounts current are now so generally felt, and appreciated in the two great emporiums of the River Plate—Montevideo & Buenos Ayres—that there are very few Merchants who fail to keep one at the bank in which they place the most confidence.
 The Bank of Mauá & Co. in Montevideo has already provided for the working class in that city, a safe & profitable depository for their savings.
 The sums deposited in that most important institution are daily increasing and already reach a very large amount.
 These advantages have no, hitherto been enjoyed in this city by an immense number of Clerks, artisans, working-men & servants of all classes & conditions, who are equally interested in putting their savings out at interest, thus providing themselves with a reserve fund in case of need, sickness or old age. In the act of spending them in the immoral gambling, in lotteries and other raffles.
