"All that afloat and all that is on land" (1884) - Chicago.

SATURDAY, APRIL 30, 1864.

THE FRENCH MAILS.

"The Saintings" arrived at 10 a.m. yesterday with dates from Paris 22nd March, and New York 9th March.

The most important news from the seats of war in Denmark, and the U. States, (both given in another column).

In England there was a close division on the Stafford-Mazini question which was made a plea to attempt ousting Lord Palmerston; the votes were 7 for Government, 171, Opposition 161.

An awful calamity has taken place near St. Field, owing to the bursting of a reservoir—many houses, and hundreds of persons drowned; 801 corpses have been collected, and 200 more are missing.

A like accident has occurred at Glasgow, from the flooding of the Clyde, and several lives lost. A third calamity has befallen Manchester, where a druggist's premises blew up, and several people were killed.

There is little of importance from the Continent. The Austrians have concentrated 100,000 troops in Italy. The Pope has recovered, the rumour on his leg having been operated on.

Victor Emmanuel is forming two camps, 80,000 men each, at Alogna and Pavia. The Count of Paris (grandson to Louis Philippe) has married the Infanta Maria Isabel of Orleans.

General Meade has been summoned before the War Investigation Committee, in consequence of statements by General Sickles and Doubleday that the order of the day at Gettysburg, and again on the second, which orders only failed to be executed through General Sickles engaging the enemy. Meade is also accused of having expressed the opinion that the Confederates could not be conquered.

General Grant has arrived at Washington and been received by the President whom he met the first time. "Brazil and River Plate Mail."

France one-fifth, Belgium one-sixth, Cuba also takes a little. Eighteen thousand tons jerked beef; almost evenly divided between Cuba and Brazil, being respectively as 4 and 3.

Spain gets a small parcel of 500 tons. Four hundred thousand caribbe sheepskins; three-fourths to France, one-fifth to England, the rest to Belgium. Horseshair, 123 thousand arrobes; lingual two-fifths, France one-fourth, U. States one-fifth, and the rest to Belgium.

France takes almost two-thirds, U. States one-fifth; Spain, Brazil and England small lots.

THE PARAGUAYAN LEVEE. The "National" of Wednesday evening has an alarming article, respecting Argentine relations with Paraguay. It says that President Mitre has fallen asleep, and that President Lopez is unceasing in his efforts to put his army on a war footing.

THE WAR IN DENMARK. Copenhagen, March 21, 11 7 a.m.—Serious fires have occurred in Fredericia in consequence of the bombardment. Ten Prussians of Jutland have been sent off to Prussia. The Dagblad today violently attacks the Ministry on account of its accession to the proposed Conference.

Prussian Head Quarters, Kolding, March 21.—The batteries before Fredericia were finished and struck during the night between the 19th and 20th inst. The Danes made a sortie during the night, which was repulsed. The bombardment of the town commenced at 5.0 a.m. yesterday. A canonade was also kept up against the Danish encampment.

THE CONFERENCE ON THE DANISH QUESTION. Copenhagen, Monday 21st, 7.52 p.m.—The Domingo Videttes to-day in a semi-official article says—"The Government has not acceded to an armistice, since the surrender of Dupont could not be contemplated; and to make the present position of affairs the basis for a suspension of hostilities, is equally impossible."

Exports of B. AVRES 1863. The total number of vessels which left this port, during the year, was 688; of which 549 with cargo, and 139 in ballast, being as 11 to 3. Although these in ballast may seem to form a large ratio, it is a great improvement in trade on that of the previous year when the proportion was: with cargo 4, in ballast 3. The American war has evidently had much influence, for we find a larger proportion of vessels leaving in ballast belong to that flag than to any other.

AMERICA. New York, March 9, 1 p.m. In the absence of any information from General Sherman, most of the reliable reports continue to circulate. An account of New Orleans, states that on the 16th ult. he was defeated near Meridian, with the loss of 15,000 men, and that, with the remnant of his army, he was retreating to Vicksburg, pursued and harassed by a large force of Confederate cavalry.

Travellers who left Vicksburg on the 3rd inst. assert that he had arrived in that city, but do not state whether with the whole or a part of his army. The Confederate Generals Magruder and Taylor, with 20,000 men, are reported to be advancing into Eastern Louisiana, from Herwick's Bay.

ADMIRAL PARRAGUT opened fire upon Fort Powell, or Daughin Island, commanding General's Pass Channel to Mobile, at daylight on the 23rd ult. One Federal gunboat was sunk, but the result of the bombardment is unknown. Confederate telegrams from Charleston of the 4th report that 1,250 Federal shells had been fired at that city during the previous fortnight, but without doing any damage.

SAVINGS BANK BANK MAU&C'
 No. 103 calle de Cangallo.

BUENOS-AYRES.

The immense advantages of Accounts Current are now so generally felt, and appreciated in the two great emporiums of the River Plate—Montevideo & Buenos Ayres—that there are very few Merchants who fail to keep one at the Bank in which they place the most confidence.

The Bank of Mau & Co. in Montevideo has already provided for the working class in that city a safe & profitable depository for their savings.

The sums deposited in that most important institution are daily increasing and already reach a very large amount.

Those advantages have no, hitherto been enjoyed in this city by an immense number of Clerks, artisans, working-men & servants of all classes & conditions, who are equally interested in putting their savings out at interest, thus providing themselves with a reserve fund in case of need, sickness or old age, instead of spending them in the immoral gambling, in lotteries and other frivolities.

The Bank of Mau & Co. of this city following the example of their Buenos Ayres September 10th 1863.

WILLIAM LESLIE.
