The firemen soon mastered the fire, and we believe no great damage was done.

Editors are the most cruelly used of any of the human race: they are made, it is true, the depository of the hopes and fears of a large bulk of their fellow-men.

The Post's correspondent says the Confederate land is about to be placed on a new basis—a combined French and English undertaking.

The Money—We see that the Marine Department is advertising for contracts to repair this valuable and useful tub; and judging from the small amount of repairs required, she appears to be like Hector M'Ivor Macpherson's gun, only requiring a new lock, stock, and barrel.

To Purflee—On the 25th and 26th inst., there will be horse races at Chilweico. There will be two races each day, and although we have not yet seen the list of horses to run, we hear the 'knowing men of the corner' darkly hinting, in a peculiarly horsey manner, at the great amount of sport to be expected.

The Jublum—This unfortunate vessel has at last sailed to-night, from the length of her sojourn in these waters, establish herself as a perambulating oyster shop, as she must needs be well covered with barnacles and other molluscs.

SAVINGS BANK
BANK MAU & CO.
No. 103 calle de Cangallo.

BUENOS-AYRES.
The immense advantages of Accounts Current are now so generally felt, and appreciated in the two great emporiums of the River Plate—Montevideo & Buenos Ayres—that there are very few Merchants who fail to keep one at the Bank in which they place the most confidence.
The Bank of Mau & Co. in Montevideo has already provided for the working class in that city, a safe & profitable depository for their savings.
The sums deposited in that most important institution are daily increasing and already reach a very large amount.
These advantages have not hitherto been enjoyed in this city by an immense number of Clerks, artisans, working-men & servants of all classes & conditions, who are equally interested in putting their savings out at interest, thus providing themselves with a reserve fund in case of need, sickness or old age, instead of spending them in the immoral gambling, in lotteries and other frivolities.
The Bank of Mau and Co. of this city following the example of their Buenos Ayres September 19th 1863.
