TOBACCO PLANTING.

It is with heartfelt pleasure that w TOBACCO PLANTING.

It is with heartfelt pleasure that we hear the greatest attention is now bring paid to the planting of tobacco in the provinces. Only a few years ago and the production was so limited that to-bacco was actually imported, into Cordova but now we learn that the tobacco planted in that province is more than addition for the consumption, and is daily flading its way into Rosario. The manner of cuting it is so primeral that beyond Buenes-Ayres it is of no markeable value. We call attention to this in the hope that the Governors of the Interior Provinces will pay more attention to the staple. Some bales of the Laterior Provinces will pay more attention to the staple. TWO GERMANS DONE FOR;

On Thursday afternoon one of the most daring robberies was effected, in the yard of the Post Office uponf-two well known German merchants. It would seem as if the robbery was a sort of wizard's trick, from the account of the post-office of the post-office of the yard, talking we suppose about Schiezwis-Cholstin. They never even entered the office where the letters are clievered, and after having discussed the matter left for their homes: when one of the gentleman in question got half way he put his hand in his pantaloos of the gentleman in question got half way he put his hand in his pantaloos. HONORABLE MENTION

The last Resario mails brought news of the death of Sr. Garzon, administrator of National resists, of whom it was our painful duty, as imparitis critic, to observe that he did not pull well with the merchants of that place. One of his latest acts, however, was creditable, that it may error as a funeral wreath to decorate his tomb. Anxious, like all true Argentian particles, for the progress of his country, he abberred for the Central Railway for the progress of his country, he abberred for the Central Railway for the collected and the call was made, the collected to pay the call was made, the collected to pay the call was made they had no authority to receive more than the instalment.
