61 CORRIENTES 61 SAVINGS BANK. SANTE NAVA & CO., No. 103 Calle de Cangallo, BUENOS AYRES.

The immense advantages of Accounts Current are now generally felt and appreciated in the great majority of the Rise, Plate, Montevideo and Buenos Ayres that there are very few Merchants who fail to keep one at the bank in which they place the most confidence. The Bank of Mont and Co. is Montevideo has already provided for the working classes in that city a safe and profitable depository for their savings. The sum deposited in that most important institution are daily increasing, and already reach a very large amount. These advantages have not hitherto been enjoyed in this city by an immense number of clerks, artisans, working men, and servants of all classes and conditions, who are equally in want of neat, tidy, or old age, instead of spending them in the unprofitable gambling, in lotteries, and other frivolties. The Bank of Mont and Co. of this city, following the noble example of their firm in Montevideo, now offer the same facilities in this city, and will open a Savings Bank on Calle Cangallo, from Nine a.m. till Three p.m. on Week Days, and on Sundays and Holidays from Ten a.m. to Twelve in the forenoon, for the reception of the savings of the classes already mentioned. The deposits so guaranteed at any time to withdraw the whole or part of the sum deposited, in the former case the interest will be calculated up to date. The Bank of Mont and Co. is sufficiently known to the Public by the lowest deposit from the course of its operations, which are regulated on the strictest and soundest principles, and always directed to promote the general welfare. The Bank of Mont and Co. are also gratified that this new branch of their business will render immense service to the working classes of Buenos Ayres and its neighbourhood.
